

# Saddle Fit Clinic: May 16, 2026

by Saddles That Fit! Independent Saddle Fitters ([www.saddlesthatfit.com](http://www.saddlesthatfit.com))

**LEARN how to KNOW if your Horse's Saddle Fits**  
**See & Feel your Horse tell you what s/he likes!**

*Participants learn how to see and feel for fit in the morning  
... and how to read what happens under saddle in the afternoon.*

**Does YOUR HORSE  
have Issues?**

Walking off, biting, girthy,  
bucking, runs away, stumbles,  
can't relax, white spots?

**Do YOU have Issues?**

Feel insecure?

Off balance? Have you come  
off your horse?

**A properly fitting  
saddle will:**

- Help you ride **SAFER**
- IMPROVE** your **PERFORMANCE**
- Help your horse **RELAX**
- IMPROVE** your **BALANCE**
- Help you & your horse be **HAPPIER & HEALTHIER**

## You Will Learn:

- How the horse is made
- How English & Western saddles are made
- Key areas to check your saddle for fit
- What good fit & bad fit feel like
- How to check your horse's back for pain
- Why are there so many problems?
- Which saddles fit my horse?
- How to shim to fix problems

## Clinic Format:

**9-10:30: Presentation:** Enjoy an interactive discussion of the mechanics of saddle fit; followed by hands-on real life application of that information.

*Bring all your questions!*

**10:30-1: Fitting:** Auditors help evaluate saddle fit as Susan & David work with a horse and rider to choose the best fitting saddle options from **10 Western, English & Endurance saddle brands**.

Then, learn from watching Horse & Rider try 4-8 saddles back-to-back to see what works best.

**Clinic cost - \$75\***

To reserve your space - or your own fitting - contact us at  
**209-245-3789 or**  
**saddlesthatfit@gmail.com**
